

**REMARKS**

This application was allowed on January 13, 2004 and the issue fee was paid on April 13, 2004. Subsequently, the Patent Office noticed that there were 2 figures in the specification and called the undersigned and suggested that they be removed from the specification and be placed into a drawing sheet. Accordingly, the present amendment is being filed to achieve the foregoing. No new matter is being added; the figures are simply being removed from the specification and are being put into a drawing sheet and a brief description of the drawings is being accordingly added. It is requested that this amendment be entered.

It is also noted that the issue fee has already been paid. It is requested that the PTO apply the previously submitted issue fee towards any issue fee which may now become due.

If there are any fees resulting from this communication, please charge the said fees to our Deposit Account No. 16-0820, Order No. 35763.

Respectfully submitted,  
PEARNE & GORDON LLP
